Peg: Is that ok with you? Also, the Engineer would like to bring in an iPod, a laptop and a portal projector. He is asking to be able to use a projector screen at your office. Do we need something in writing from you to present to security to bring those in? Also, I have not been there for a while: may we bring in cell phones? Standard government ID at the door. Do you also need a complete list of everyone attending for security ? John

Hi John

We can start the meeting at 9:30 if that is still what reading wants. See you then. peg
